Re: First Collaborative Conferencing Session

The Professional Educators Collaborative Conferencing Act(PECCA) Team met on Tuesday, February 7, 2023 to discuss the Memorandum of Understanding(MOU) topics of grievances and working conditions. There were robust conversations in regards to these two sections of the MOU. The PECCA Team will meet again on Thursday, March 2, 2023 to continue the work of creating a new MOU between the Board of Education and HCEA that is fair and functional.
